

For over 35 years, SINTO has been designing, manufacturing and delivering premium lubrication, rustproofing and maintenance solutions for the transportation, automotive, industrial and heavy equipment sectors.

From product development and manufacturing to technical support and distribution, everything we do is built around helping customers improve equipment performance, increase reliability and reduce operating costs through expert lubrication solutions.

That same commitment extends to our SINTO Experts Territory Owners.

Today, we're entering the next phase of our growth, expanding our presence across Central and Western Canada through a network of independent SINTO Experts –Territory Owners.

SINTO EXPERT TERRITORY OWNER OPPORTUNITIES

We're looking for a limited number of business partners who share our long-term vision and entrepreneurial mindset.

As a SINTO Expert – Territory Owner, you'll operate your own independent business while representing an established Canadian manufacturer within an exclusive territory.

WHY PARTNER WITH SINTO ?

- Canadian manufacturer with over 35 years of technical expertise and product innovation
- Premium, high-performance products engineered for demanding applications
- Products developed, manufactured and supported in Canada
- Proven operating model
- Ongoing technical and commercial support
- Exclusive territories
- More than 35 years of creating performance based ROI for our customers

AVAILABLE TERRITORIES: BARRIE / BRANTFORD / HAMILTON / KITCHENER / LONDON

YOUR ROLE

As a SINTO Expert - Territory Owner, you will:

- DEVELOP your exclusive territory
- BUILD long-term customer relationships
- IDENTIFY new business opportunities
- GROW your customer base while managing existing accounts
- BUILD a profitable business backed by SINTO

IS THIS THE RIGHT OPPORTUNITY FOR YOU?

This opportunity is ideal for individuals who:

- Want to own and operate your own business
- Enjoy building long-term customer relationships
- Are looking for the support of an established Canadian manufacturer
- Want the independence of entrepreneurship without starting from scratch
- Experience in lubricants, industrial equipment or related industries is considered an asset, but is not required

WHAT WE OFFER

EXCLUSIVE TERRITORY : Operate your own protected business territory.

PROVEN PRODUCTS : A complete portfolio developed and manufactured by SINTO.

HANDS-ON TRAINING: Comprehensive product, sales and business training delivered by SINTO experts

CONTINUOUS INNOVATION: Supported by our in-house Research, Development and Technical Experts

SALES & MARKETING SUPPORT:

- Marketing materials;
- Demonstration equipment;
- Digital ordering tools;
- Vehicle graphics;

OPERATIONS SUPPORT:

- Administration;
- Billing;
- Customer service;
- Technical support;
- Inventory logistics

ONGOING BUSINESS SUPPORT:

- Dedicated Ontario Business Development Manager;
- Monthly coaching;
- Annual meetings;
- Access to experienced Business Partners and SINTO Experts

FINANCING SUPPORT

Qualified candidates may be eligible for up to \$60,000 in launch financing support, helping accelerate the successful launch of their business.

MORE THAN A BUSINESS OPPORTUNITY

When you join SINTO, you're not just gaining access to premium products and an exclusive territory.

You're joining a team committed to your long-term success, backed by more than 35 years of innovation, technical expertise and strong customer relationships.

INITIAL BUSINESS INVESTMENT

Launching a business requires commitment.

Your initial investment includes:

- Complete onboarding and training
- Technology package
- Marketing assets
- Business materials
- Initial launch support
- Launch Investment: \$5,200
- Refundable Inventory Security Deposit: \$5,000

LET'S START THE CONVERSATION

Building a business is an important decision, and choosing the right partner is just as important. If you'd like to know more about this opportunity, we'd be happy to answer your questions and discuss how you can build your business with the support of an experienced Canadian manufacturer committed to innovation and performance.
